**PROXY STATEMENT
OF
CITIZENS BANCSHARES CORPORATION
for the Annual Meeting to be Held
May 30, 2001**

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Shareholders' Meeting and at any adjournments thereof. The Shareholders' Meeting will be held on Wednesday, May 30, 2001, at 11:00 a.m., at the Atlanta Life Insurance Company, Herndon Plaza, 100 Auburn Avenue, N.E., Atlanta, Georgia. The purpose of the Annual Shareholders' Meeting of the Company is to elect thirteen (13) directors for a one-year term until the next annual meeting and to amend the Company's Articles of Incorporation to increase the number of authorized shares of common stock that may be issued and to include certain antitakeover provisions.

The accompanying form of proxy is for use at the Annual Shareholders' Meeting of the Company. A shareholder may use this proxy if he or she is unable to attend the meeting in person or wishes to have his or her shares voted by proxy even if the shareholder does attend the meeting. Shareholders who sign proxies have the right to revoke them at any time before they are voted either by written notice of revocation which is received at the Company's Main Office before the meeting or by the Secretary at the meeting or by attending the meeting and voting in person. All shares represented by valid proxies received pursuant to this solicitation and not revoked before they are exercised will be voted as directed, and where no direction is given, the shares represented by such proxies will be voted for the election of directors listed thereon. The Board of Directors of the Company is not aware of any other matters which may be presented for action at the meeting, but if other matters do properly come before the meeting, it is intended that shares represented by proxies will be voted by the persons named in the proxies in accordance with their best judgment.

Solicitation of proxies may be made in person or by mail, telephone or facsimile by directors, officers and regular employees of the Company or Citizens Trust Bank (the "Bank") who will not be specially compensated for such solicitations. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward solicitation materials to beneficial owners and to secure their voting instructions, if necessary, and will be reimbursed for their expenses incurred in sending proxy materials to beneficial owners. The Company will bear the cost associated with solicitation of proxies and other expenses associated with the Shareholders' Meeting.

Record Date and Voting Rights

Each shareholder of record of the Company at the close of business on April 13, 2001 (the "Record Date") is entitled to notice of and to vote at the Shareholders' Meeting. As of the close of business on the Record Date, the Company had 5,000,000 shares of common stock ("Common Stock"), \$1.00 par value, authorized, of which [2,185,939] shares of Common Stock were issued and outstanding and held of record by [1,406] shareholders and 5,000,000 shares of non-voting

common stock, \$1.00 par value, of which 90,000 were issued and held by one shareholder. Each share of Common Stock is entitled to one vote on matters to be presented at the meeting.

After the merger of First Southern Bancshares, Inc. with and into the Company, which was effective on January 30, 1998, James E. Young became President and Chief Executive Officer of the Company. Mr. Young entered into an employment agreement with the Company. The following table contains, with respect to the person[s] named in the Summary Compensation Table, information concerning the number of options to purchase Common Stock, the number currently exercisable, and the value of the options as of December 31, 2000.

The directors of the Company receive fees in the amount of \$300.00 per meeting for their service as directors of the Company, with the exception of the Chairman, who receives \$1,000 for each monthly meeting attended. Directors also receive a retainer in the amount of \$2,000 annually, which is payable on a quarterly basis in shares of Common Stock of the Company.

CERTAIN TRANSACTIONS

The Company's directors and principal officers, their immediate family members and certain companies and other entities associated with them, have been customers of and have had banking transactions with the Bank and are expected to continue such relationships in the future. In the opinion of management, the extensions of credit made by the Bank to such individuals, companies and entities (a) were made in the ordinary course of business, (b) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and (c) did not involve more than a normal risk of collectibility or present other unfavorable features.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires that the Company’s directors and executive officers and persons who own more than 10% of the Company’s outstanding Common Stock file with the Securities and Exchange Commission initial reports of ownership and reports of changes in their ownership of the Company’s Common Stock. Directors, executive officers and greater than 10% shareholders are required to furnish the Company with copies of the reports they file.

To the Company’s knowledge, based solely upon a review of copies of Reports of Beneficial Ownership and Changes in Beneficial Ownership furnished to it and representations that no other reports were required, its directors, executive officers, and greater than ten percent shareholders have complied with applicable Section 16(a) filing requirements, except that the directors were all

late in filing the Form 5 reporting the shares received in payment of their retainer for service on the Board of Directors.

AMENDMENTS TO ARTICLES OF INCORPORATION

The Board of Directors has determined that it is in the best interest of the Company to amend and restate its Articles of incorporation to include certain antitakeover provisions and to increase the number of authorized shares of Common Stock that the Company may issue. The increase in the number of authorized shares will allow the Company increased flexibility and the ability to move quickly if an opportunity to pursue an acquisition or other such transaction were to occur. The purpose of the antitakeover provisions is not to prevent the acquisition of the Company by any acquiror, but rather to give the Board control over any such transaction by requiring the potential acquiror to negotiate with the Board, who can then determine whether the proposed transaction would be in the best interests of the shareholders. The approval of the amendments to the Articles of Incorporation requires the affirmative vote of a majority of shares of Common Stock present in person or by proxy and entitled to vote on the matter. The proposed amendments are described below.

PROPOSAL 2 – AMENDMENT OF ARTICLE 4

Article 4 currently provides that the Company has the authority to issue 10,000,000 shares, consisting of 5,000,000 shares of Common Stock, \$1.00 par value, and 5,000,000 shares of Non-Voting Common Stock, \$1.00 par value. As amended, the new Article 4 will read as follows:

“4.

The Corporation shall have the authority to issue 25,000,000 shares, consisting of (i) 20,000,000 shares of common stock (the “Common Stock”), \$1.00 par value, and (ii) 5,000,000 shares of non-voting common stock (the “Non-Voting Common Stock”), \$1.00 par value. The shares of Non-Voting Common Stock will, for all purposes except voting, have the same preferences, limitations and relative rights as common stock.”

PROPOSAL 3 – AMENDMENT OF ARTICLE 7

Article 7, as it is proposed to be amended, provides that the Board of Directors of the Company will be divided into three classes and that the directors in each class will serve for staggered terms of three years each. This means that, unless the existing directors were to resign (which might be the case in a friendly acquisition of the Company), it would take two annual meetings of the Company’s shareholders to replace a majority of its directors. As amended, the new Article 7 will read as follows:

“7.

(a) The Board of Directors shall be divided into three (3) classes, Class I, Class II and Class III, which shall be as nearly equal in number as possible. Each director in Class I shall be elected to an initial term of one (1) year, each director in

Class II shall be elected to an initial term of two (2) years, each director in Class III shall be elected to an initial term of three (3) years, and each director shall serve until the election and qualification of his or her successor or until his or her earlier resignation, death or removal from office. Upon the expiration of the initial terms of office for each Class of directors, the directors of each Class shall be elected for terms of three (3) years, to serve until the election and qualification of their successors or until their earlier resignation, death or removal from office.

(b) Unless two-thirds (2/3) of the directors then in office shall approve the proposed change, this Article 7 may be amended or rescinded only by the affirmative vote of the holders of at least two-thirds (2/3) of the issued and outstanding shares of the Corporation entitled to vote in an election of directors, at any regular or special meeting of the shareholders, and notice of the proposed change must be contained in the notice of the meeting.”

PROPOSAL 4 –ADDITION OF NEW ARTICLE 8

A new Article 8 is proposed to be added. This Article would require a supermajority (66 2/3%) vote of the directors or shareholders to change the number of directors of the Company. This article helps to discourage a potential raider from attempting to take over the Company by removing one of the ways in which the raider could gain control of the Board; that is, after gaining control of the majority of the stock, a raider could double the size of the Board and elect its nominees as directors. The new Article 8 will read as follows:

“8.

(a) Except as provided in paragraph (b) of this Article 8, the Board of Directors shall have the right to adopt, amend or repeal the bylaws of the Corporation by the affirmative vote of a majority of all directors then in office, and the shareholders shall have such right by the affirmative vote of a majority of the issued and outstanding shares of the Corporation entitled to vote in an election of directors.

(b) Notwithstanding paragraph (a) of this Article 8, any amendment of the bylaws of the Corporation changing the number of directors shall require the affirmative vote of two-thirds (2/3) of all directors then in office or the affirmative vote of the holders of two-thirds (2/3) of the issued and outstanding shares of the Corporation entitled to vote in an election of directors, at any regular or special meeting of the shareholders, and notice of the proposed change must be contained in the notice of the meeting.”

PROPOSAL 5 –ADDITION OF NEW ARTICLE 9

A new Article 9 is proposed to be added. This article would require a supermajority (66-2/3%) vote before a director may be removed from office “without cause.” However, a director may be removed “for cause” (as defined in Article (c)) by a majority vote of shareholders. This provision would make it more difficult for a potential corporate raider to elect a controlling number

of its nominees to the Board by prohibiting the raider from removing the existing directors and electing its nominees to fill the vacancies thus created. The new Article 9 will read as follows:

“9.

(a) At any shareholders’ meeting with respect to which notice of such purpose has been given, the entire Board of Directors or any individual director may be removed without cause only by the affirmative vote of the holders of at least two-thirds (2/3) of the issued and outstanding shares of the Corporation entitled to vote in an election of directors.

(b) At any shareholders’ meeting with respect to which notice of such purpose has been given, the entire Board of Directors or any individual director may be removed with cause only by the affirmative vote of the holders of at least a majority of the issued and outstanding shares of the Corporation entitled to vote in an election of directors.

(c) For purposes of this Article 9, a director of the Corporation may be removed for cause if (i) the director has been convicted of a felony; (ii) any bank regulatory authority having jurisdiction over the Corporation requests or demands the removal; or (iii) at least two-thirds (2/3) of the directors of the Corporation then in office, excluding the director to be removed, determine that the director’s conduct has been inimical to the best interests of the Corporation.

(d) Unless two-thirds (2/3) of the directors then in office shall approve the proposed change, this Article 9 may be amended or rescinded only by the affirmative vote of the holders of at least two-thirds (2/3) of the issued and outstanding shares of the Corporation entitled to vote in an election of directors, at any regular or special meeting of the shareholders, and notice of the proposed change must be contained in the notice of the meeting.”

PROPOSAL 6 –ADDITION OF NEW ARTICLE 10

A new Article 10 will be added providing that a supermajority vote of the shareholders (66-2/3%) will be required to approve any merger or share exchanger of the Company with or into another corporation, or any sale, lease, exchange or other disposition of all or substantially all of the assets of the Company unless such transaction has been approved by the affirmative vote of two-thirds of the directors of the Company then in office, in which case the affirmative vote of a majority of the issued and outstanding shares will be required. The new Article 13 will read as follows:

“10.

(a) In any case in which the Georgia Business Corporation Code or other applicable law requires shareholders approval of any merger or share exchange of the Corporation with or into any other corporation, or any sale, lease, exchange or

other disposition of substantially all of the assets of the Corporation to any other corporation, person or other entity, such approval shall require either:

(i) the affirmative vote of two-thirds (2/3) of the directors of the Corporation then in office and the affirmative vote of a majority of the issued and outstanding shares of the corporation entitled to vote; or

(ii) the affirmative vote of a majority of the directors of the Corporation then in office and the affirmative vote of the holders of at least two-thirds (2/3) of the issued and outstanding shares of the Corporation entitled to vote.

(b) The Board of Directors shall have the power to determine for the purposes of this Article 10, on the basis of information known to the Corporation, whether any sale, lease or exchange or other disposition of part of the assets of the Corporation involves substantially all of the assets of the Corporation.”

PROPOSAL 7 –ADDITION OF NEW ARTICLE 11

A new Article 11 will also be added to the Articles. This article will provide that the Board may consider factors in addition to price when evaluating an offer from another party to acquire the Company. The new Article 11 will read as follows:

“11.

(a) The Board of Directors, when evaluating any offer of another party (i) to make a tender offer or exchange offer for any equity security of the Corporation, (ii) to merge or consolidate any other corporation with the Corporation, or (iii) to purchase or otherwise acquire all or substantially all of the assets of the Corporation, shall, in determining what is in the best interests of the Corporation and its shareholders, give due consideration to all relevant factors, including without limitation: (A) the short-term and long-term social and economic effects on the employees, customers, shareholders and other constituents of the Corporation and its subsidiaries, and on the communities within which the Corporation and its subsidiaries operate (it being understood that any subsidiary bank of the Corporation is charged with providing support to and being involved in the communities it serves); and (B) the consideration being offered by the other party in relation to the then-current value of the Corporation in a freely negotiated transaction and in relation to the Board of Directors’ then-estimate of the future value of the Corporation as an independent entity.

(b) Unless two-thirds (2/3) of the directors then in office shall approve the proposed change, this Article 11 may be amended or rescinded only by the affirmative vote of the holders of at least two-thirds (2/3) of the issued and outstanding shares of the Corporation entitled to vote thereon, at any regular or special meeting of the shareholders, and notice of the proposed change must be contained in the notice of the meeting.”

The Board of Directors recommends that the shareholders vote FOR approval of the proposed amendments to the Articles of Incorporation.
